

# GILMORE

CAR MUSEUM

## Vendors Rules

Welcome to Gilmore Car Museum. We look forward to another very successful event and ask that you please assist us by following these guidelines:

- To allow for safer pedestrian traffic, all show cars and vendor tables must be at **least 4 feet back** from the paved roadways.
- **DO NOT** lay **tarps, metal signs, hubcaps, glass** or other similar items flat on the grass (or against buildings) as it kills the grass.
- A **Parts Cart** will roam the grounds and move purchased items to the parking area. **No modern vehicles** will be allowed to park or drive within the campus once the show is open—*no exceptions*.
- No personal motorized vehicles, including golf carts, are allowed on the grounds without a handicap tag.
- Museum restrooms will be closed after normal business hours unless there is a staff supervisor on site. Portable toilets are available on the grounds for after hours use.
- No vendors will be allowed to enter the grounds after normal business hours.
- When you leave, please place all trash in receptacles and assure that your space is left in the same condition as when you arrived.

**Thank you!**
